You can annotate all documents on Westlaw UK.

Header Annotations
You can add annotations at the top of any document. These annotations can only be viewed by you unless you choose to share them. Click the Note icon on the right of the screen and then enter your note into the text box at the top. You can format your text and include live links.

If you have annotated a document, the annotations icon on the right will indicate the number of annotations. You can click this icon to show or hide your annotations.

InlineData Annotations
You can also highlight and add notes throughout the text of a document. Simply click and drag to highlight text and then a pop-up will appear.

When you deliver this document, you can also choose whether to include your annotations or not.
